Work Experience

♥ **Framer / Customer Experience Manager** 2018 - Present
Michaels Arts & Crafts Los Angeles, CA

Managing store associates during business hours, assigning task and projects that must be completed in a timely manner. While assuring that customer surveys are satisfactory and coaching associates in how to improve scores. When needed take custom framing orders at the framing counter, which includes taking accurate measurements, understanding the services offered, communicating with clients, and installing artwork in custom frames.

♥ **Freelance Digital Artist** 2013 - 2017
Crafting Lindsey Los Angeles, CA

Worked freelance artist positions on comic titles Collapse and Armadillo Justice as a credited concept artist, inker, and editor. Often times managing the teams to meet monthly deadlines for project release. Also worked on preproduction artwork for ABC Mouse and Curriculum Essentials digital content.

♥ **Sculptor & Fabricator** 2012 - 2013
Hot Buttered Elves Los Angeles, CA

Assisting in the fabrication of toys for clients including Mattel and Activision using sculpting, silicone molds, and photoshop mockups. Projects often required efficiency to meet tight deadlines, while giving the final product a professional appearance for presentations.

Awards & Other Experience

♥ **Artist Alley / Conventions**

Conventions that cater to the entertainment arts offer tables to independent artist. Several times a year I table at these conventions selling my products (stickers, prints, buttons, and bags). This process includes planning a table setup, budgeting for cost/setting prices, and knowing what products will sell to my audience.

♥ **Otis College Deans List 2009 - 2012**

Maintained a 3.5 or above GPA each semester.
